Flashy Shine CRS77006

12 oz aerosol 12/case

DESCRIPTION

Flashy Shine is a coating that works instantly. Fast and easy to use. Brightens any plastic surface. No wiping necessary. Pleasant cherry fragrance. Fine aerosol mist is ideal for those hard-to-reach places

FEATURES AND BENEFITS

Flashy Shine is a vinyl/plastic, non-foaming coating which provides a water resistant gloss shine. This product brightens any plastic surface. Great for those hard-to-reach places.

DIRECTIONS FOR USE

Shake well before using. Prepare surface. Remove dirt, dust, oil and grease. Dry surface. Test spray on an inconspicuous area or scrap piece to check compatibility. Hold can 10" to 12" from surface. Use a stroking motion. Apply two or more coats rather than one heavy coat. For best results, spray at 70°F to 80°F. Polish surface, if desired, using a soft cloth after allowing spray to dry a few minutes.
